How can you the parent/guardians help us the coaches?

- Please make sure that your child is on time to class.
- Please make sure that your child's absence is excused by calling the attendance office every time your child is out of school.
- Please make sure to ask your child or check your kids bags for papers that are handed out from teachers and or coaches.
- Please make sure they do homework every night. If they tell you they don't have any, they are not being honest with you. They always have something even if it is only accelerated reader. Please remember if they have D's and F's they always have something they can be working on.
- When looking at their grades please look at the comment codes. The grade will tell you how they did in the class the comment code will tell you why.
- Please check the computer for their grades.
- If the computer grades are not up to date please contact the teacher through email. We have anywhere from 100 to 200 kids a day to deal with it is much easier if you guys contact us.
